## DETAILS ABOUT THE SITE

Suzhou is one of the famous historic cities in China, especially for the private gardens. With more than 3000 years history, Pingjiang historic areas is located at the heart of old city of Suzhou, which well keeps the historic layout of city, waterways and roads combine together, houses built by the river. The agreeable environment make people feel the life of traditional Chinese. The existing local residential are built mainly in Ming and Qing Dynasty, many of which are on the list. The building will be stored during the workcamp is a wooden house with small courtyards, which is a typical residential for that areas.
